For the 116th Congress – Second Session**

December 2020

Federally Employed Women's (FEW)
Voting Record Scorecard for the 116th Congress—Second Session

Dear FEW Members:

The One Hundred Sixteenth United States Congressional Session convened in Washington, D.C., on January 3, 2019, and will end on January 3, 2021, during the third and fourth years of the Presidency of Donald Trump. Senators elected to regular terms in 2014 are finishing their terms in this Congress and House seats were apportioned based on the 2010 Census.

In this FEW Scorecard during the 116th Congress, second session are three recorded votes acted upon by the United States House of Representatives and one recorded vote in the United States Senate. As you are aware, we rate lawmakers based on their recorded vote on the bills that are identified in the three tiers of the legislative agenda.

In this session members were scored on legislation that was considered to have an impact on federally employed women, the federal workforce, or in-line with issues that FEW has taken a supportive position. You will also note that there are (2) bills that FEW supported, as “Key” votes, which were introduced and passed out of Congress!

Also highlighted in this Scorecard are the Congressional Members in the United States Senate and United States House of Representatives who were in alignment with FEW on the legislative issues that received hearings in committee and votes in the House of Representatives. FEW extends a special “Thank-You” to these members for their support and to each of you for your advocacy engagement. Note: This list does not include all the legislators who have been and continue to support the issues that are important to FEW.

I encourage you to examine the current and past voting record of your own representatives for a detailed history on the issues that are a part of FEW’s advocacy. Simply, look up your legislators and contact them about their votes and decisions regarding their votes and co-sponsorships. (To find out who your legislators are, simply, visit ENGAGE and type in your zip code under the Elected Officials link.)

While this voting record is an important tool in monitoring the actions of Congress, it is important to recognize that it is not the sole reflection of a legislator’s record. Furthermore, it is neither an endorsement nor a condemnation of any Member of Congress.

Through my presidency, FEW has advocated for legislation which I am very proud to have helped pass with all of your help, like: S.3749 - Congressional Accountability Act of 1995 Reform Act (2018); and H.R. 6147 - Appropriations Minibus [pay increase] (2018), and Federal Employee Paid leave (2019) and we will continue to do so. As I enter my next term as National President, I am honored to help our voices be heard and support legislation that support us.

What I have come to appreciate the most - is that FEW knows how to get the job done -- literally and figuratively. No words here could do justice to the gratitude and respect I have for all of you - members and non-members alike. It has been a great privilege to be part of an extraordinary organization at an extraordinary time. Thank you for allowing me to represent each of you.

Sincerely,
Karen M. Rainey
FEW National President

House Votes/Actions

Roll Call Votes Recorded – 116th 2nd Session of Congress

[1] H.R. 2694: The Pregnant Workers Fairness Act (PWFA)

September 17, 2020

Pregnant Workers Fairness Act

Passed 329 - 73

(Dem: 226; Rep: 103) - (Dem: 0; Rep: 72; Ind: 1)

(PRES: 0; NV: 28)

FEW supported this bill to eliminate discrimination and promote women's health and economic security by ensuring reasonable workplace accommodations for workers whose ability to perform the functions of a job are limited by pregnancy, childbirth, or a related medical condition.

FEW Position: YES

[2] H.R. 2474 - Protecting the Right to Organize (PRO) Act

February 6, 2020

Protecting the Right to Organize Act of 2019

Passed 224 - 194

(Dem: 219; Rep: 5) - (Dem: 7; Rep: 186)

(PRES: 0; NV: 12)

FEW supports the Protecting the Right to Organize (PRO) Act which was passed by the House this year, but rejected in the Senate to amend the National Labor Relations Act, the Labor Management Relations Act, 1947, and the Labor-Management Reporting and Disclosure Act of 1959. It's the biggest pro-worker labor law reform in over 80 years. It provides tougher penalties when employers fire union supporters, ends employers' ability to delay union elections, bars employers from holding "captive audience" anti-union meetings, requires greater disclosure when employers hire union-busting consultants, implements binding arbitration for first contracts when union and employers can't reach agreement, bans permanent replacement of strikers, allows unions to wage secondary boycotts, and eliminates so-called "right-to-work" laws that prohibit union contracts that require workers to share a union's costs.

FEW Position: YES

[3] H.R. 6201 - Families First Coronavirus Response Act

March 14, 2020

The Families First Coronavirus Response Act (FFCRA or Act)

Passed 363 - 40

(Dem: 223; Rep: 140) - (Rep: 40)

(NV: 26)

FEW supports The Families First Coronavirus Response Act (FFCRA or Act) requires the Federal government to provide all of its employees with paid sick leave and, for employees who are covered under Title I of the Family and Medical Leave Act (FMLA), with expanded family and medical leave for specified reasons related to COVID-19. These provisions will apply from April 1, 2020 through December 31, 2020.

FEW Position: YES

Three (3) Votes Scored - Each vote counts as 33% (33.33%) of the total score. A member will only receive 100%, if completely aligned with FEW's position on each vote. A non-voting member (NV) receives a 0 score for each bill FEW supports.
