FEW is a worldwide organization, with 10 Regions and over 85 Chapters. With this strong foundation in place, FEW will continue to work with its members and partners to become an even stronger organization. Our focus will continue to be helping women advance in government service well into the 21st century and beyond. The membership consists of individuals who subscribe to the purposes and ideals of FEW and who pay membership dues. We encourage you to look around our website for additional information about FEW and we welcome you to join.
