

SPONSORSHIP PROSPECTUS

FEW

WORKING FOR THE ADVANCEMENT
OF WOMEN IN THE GOVERNMENT SINCE 1968

Dear Potential Sponsor,

We are delighted to share the 2022 Sponsorship Prospectus for Federally Employed Women (FEW) with you. Every year, FEW hosts our premier training event to provide civilian and military employees personal and professional development. At this event, we bring together the best and brightest minds in private industry, education and the federal sector for our attendees. Our 2022 theme is "Leadership Next Level: People, Purpose and Passion," which echoes our commitment to our purpose to help government employees advance their career to the next level with purpose and passion. Today, I hope that you will join us in mutually beneficial partnership after you review our sponsorship packages.

Besides, there are several advantages for you too. As a sponsor of FEW, you will play an integral role in our unification of taking people to the next level as we promote ingenuity and training. FEW is driven by our mission to ensure we are equitable, effective and accountable for the advancement and professional growth of women in federal service. We work to end sex and gender discrimination and to encourage diversity for inclusion and equity in the community in which we serve. At the NTP your company will benefit from our targeted audience. In this prospectus, each promotional package will offer an abundance of return on investment beyond the scope of this event alone. We offer customized packages that can connect you to the best part of our marketing network.

Although our world has changed, FEW has excelled. In fact, we have soared. I invite you to soar with us. Training has never stopped with FEW and it never will. Each year FEW trains more than 1,000 government employees, both online and in-person because of the support of our sponsors. We are making a difference with women, girls and with career-professionals to bring opportunities and awareness for a more diverse, equitable, well-trained workforce.

In advance, I thank your for your review of this book and your support of Federally Employed Women!

Sincerely,

Karen M. Rainey

National President

WHO WE ARE!

Federally Employed Women (FEW) is a private, nonprofit organization founded in 1968 after the issuance of Executive Order 11375 that added sex to the prohibited discriminations within the federal government. FEW is a membership organization working towards the advancement of women in federal service. FEW has grown into a proactive organization serving more than one million federally employed women both in the military and civilian workforce.

FEW's National Training Program (NTP) is designed for all corporate, public, private and federal employees, including military personnel, in a myriad of positions and at all managerial and supervisory levels. We have incorporated the Office of Personnel Management's five important leadership competencies into our curriculum.

The training of federal employees for career enhancement and improved public service has been one of FEW's primary objectives since its inception, and the NTP is a major component of that program. Courses target entry-level employees as well as senior decision- and policy-makers in the federal, private and military sectors. Each year more than 1,000+ attendees come from across the United States, including Puerto Rico and the Virgin Islands, for this unprecedented training and networking opportunity.

FEW empowers women through advocacy, leadership and training. Our nonpartisan, nonprofit organization has more than 3,000 members and supporters across the United States.

Outlined in this prospectus is specific information regarding sponsorship for FEW's NTP, which will be held in July 2022.

As a Sponsor of FEW, your company will gain access to a uniquely targeted audience. Each specialized sponsorship package is designed to build return on your investment by extending your brand, creating positive Public Relations and media coverage while allowing you the opportunity to continue outreach efforts to prospective customers beyond the scope of this event.

Be a part of the largest training opportunity in the world for women in federal employment. Promote your organization to the NTP participants and FEW's members. Information on the specific sponsorship opportunities for this premier leadership event is provided in the pages that follow. In addition, other custom opportunities exist.

WHY SPONSOR FEW?

Put Your Business in the Spotlight

Having a presence at our program positions you and your business as an authority in your industry. You gain respect and credibility by standing out from the pack of attendees and prominently displaying your products and marketing materials. Instead of just attending the event and looking for people to share your business card with, sponsorship brings attendees who are eager to find out about your business directly to you.

Get in Front of Your Target Market

The NTP Committee is spending time marketing the training program to your target audience, bringing these attendees into the room. Your job is to come prepared to take full advantage of this opportunity by making sure you create eye-catching, professional signs, marketing materials and product displays that draw attendees to you.

Lead Generation and New Contacts

Be sure to have some sort of lead generation system in place during the days of the program. People will give up business cards and email addresses in exchange for a chance to win a great prize in a draw, samples or even chocolates and other promotional item giveaways.

Get Your Brand Noticed

Being featured in the program book of the FEW training program, on the website with your logo and having an item in the gift bags are all great ways to leverage your sponsorship and get brand recognition.

WHY SPONSOR FEW?

New Clients, New Customers, New Business

Not only are the attendees of the NTP potential new clients and customers, so are your fellow sponsors and vendors! You can form new business partnerships, meet like-minded business professionals in complementary businesses with which you share the same target market but are not in competition.

Give Attendees a 'Taste' of Your Business

Bringing samples to the NTP as giveaways is a terrific way to capture the attention of attendees. Be creative and think of out-of-the-box ways to stand out. By sharing a sample or trial offer of your product, you engage attendees and increase your chances of turning them into new customers...

Market Your Business Inexpensively

We all know how much advertising your business can cost. It can run into a thousand dollars or more to place an ad in a well-known local publication that will appear only once! Spending that same amount or less as a sponsor or vendor at the NTP is a much wiser investment that will bring a greater return on investment. Remember, you will be in the same room with hundreds of attendees who are your target market. By leveraging the NTP to your advantage, there will be no limit on your potential ROI.

SPONSORSHIP CATEGORIES

FEW's NTP major sponsorship is a coveted opportunity that allows corporations to engage in a variety of prominent branding activities, receiving significant recognition and options for participation. As a major sponsor, a corporation demonstrates its commitment to the mission of the FEW while being a philanthropic leader. There are different levels of sponsorship available, all of which give your company the opportunity to directly engage in solutions for issues that affect military and civilian employed women.

FEW encourages its corporate partners to consider major sponsorship, as this level of support provides a full NTP experience while advancing the meaningful work of FEW.

Major sponsorship options are listed below. Please note that these sponsorship packages can be specifically tailored for individual companies and include access to a range of events throughout the NTP. Please contact the sponsorship team to discuss prices and other details. All sponsors' Company/Organization name and logo will be listed in the NTP Souvenir Journal and on-site program materials. Sponsors will also receive a logo/link on the FEW's website and logo/link on the NTP homepage.
